Udit Krishna S

Software Engineer @ Natwest | SRM '25
Chennai, Tamil Nadu, India

Summary

Computer Science Engineering graduate with a strong academic record and practical experience in Machine Learning, Data Science, and Web Development. Demonstrated ability to develop and deploy innovative solutions, leveraging a diverse skill set. Excellent problem-solving skills with a keen interest in Artificial Intelligence and Natural Language Processing.

Experience

NatWest Group

Software Engineer

July 2025 - Present (7 months)

Chennai, Tamil Nadu, India

NatWest Group

Intern Trainee

June 2024 - August 2024 (3 months)

Chennai, Tamil Nadu, India

- Contributed to Data Engineering tasks, focusing on Data Subject Access Requests (DSAR) for GDPR compliance.
- Collaborated with the testing team to ensure the integrity of the Request Registration API and the Data Request Handler API as part of the DSAR project.
- Developed Automated testing solution for the Request Registration API, reducing testing time from days to hours.
- Implemented Code Coverage and Unit Testing stages in the CI/CD pipeline, enhancing efficiency and reliability.

Socialight

Web Developer

December 2022 - January 2023 (2 months)

- Developed a website from scratch for an Ed-Tech company, enhancing accessibility and user experience.

- Successfully transformed a Figma design into a responsive website, ensuring optimal viewing across all devices.
- Integrated and built custom contact forms with jQuery and PHP validation, guaranteeing secure and efficient communication

CodeChef SRM RMP
